

Lightweight PDF Annotator

Test and Tutorial Document

Welcome! This is a simple test document to try out your new PDF annotator.

Use the following keyboard shortcuts to switch tools and colors:

- **V** Selection Tool (Select text to copy to clipboard)
- **H** Highlighter (Select areas to highlight text in active color)
- **P** Pen Tool (Draw freehand ink strokes in active color)
- **T** Text Tool (Click on PDF to type text in active color)
- **E** Eraser Tool (Click/drag over any annotation to delete it)

Use keys 1 to 5 to switch annotation colors:

- **1** Yellow
- **2** Blue
- **3** Green
- **4** Red
- **5** Black

Controls:

- Left / Right Arrow - Go to Previous / Next page
- Ctrl + = / Ctrl + - - Zoom In / Zoom Out
- Ctrl + S - Save your changes to the PDF

Sandbox Page

Use this space to draw, highlight, and write text freely.

Draw inside the box below:
